

INHS Newsletter – April 2018

Dear INHS members,

Welcome to the INHS April newsletter. This month's newsletter includes many new additions to the online library and interesting events around the world. The INHS biennial conference "International Hate Studies: Contexts and Consequences of Hate" in Canada is next month. We have received over 80 proposals for conference papers, panels and workshops. If you are still to register please do so [here](#). We very much look forward to seeing delegates soon.

Connecting members

One of our Italian INHS members, a sociologist and researcher interested in the subject of hate speech, would like to get in contact with other INHS members from Italy. Please email Susann Wiedlitzka at S.Wiedlitzka@sussex.ac.uk including the subject heading "Italian INHS member" and we will forward your emails to facilitate contact.
