Dear INHS members,

Welcome to our June 2017 newsletter.

Our newsletter provides a monthly snapshot of international publications that have recently been added to the INHS website, links to our recent blog posts and information about upcoming events occurring this month. As you will see in this month's newsletter, there were many publications published last month which may interest you. Note also our recent blog outlining new research results from the Sussex Hate Crime Project on the direct and indirect impacts of anti-LGBT hate crimes.
