

INHS Newsletter – October 2017

Dear INHS members,

This month marks one year since we started sending out the INHS Newsletter and we hope that you have found the newsletter helpful in keeping up-to-date with new publications, blogs and events around hate crime. This October's newsletter contains many additional events which are happening during the UK's **National Hate Crime Awareness Week**, which is taking place from 16-22 October, 2017.

We also would like to make you aware of the 6 October deadline to enroll for the ***Facing Facts* "Hate Crime Monitoring Course"**. This is a 6-week course designed to develop a better understanding about the nature and impact of hate crime and to provide participants with tools to accurately monitor their occurrence. *Facing Facts!* is an innovative programme aiming to tackle the issue of hate crime and hate speech in Europe.

Detailed information about the course and enrollment instructions can be found on the [Facing Facts website](#). The course starts on 16 October, 2017.
