## International Network for Hate Studies

### INHS Newsletter – December 2023

Dear INHS members,

Welcome to our December 2023 newsletter. The newsletter provides a monthly snapshot of international publications that have recently been added to the INHS website and information about upcoming events occurring this month. We would also like to encourage you to get in contact with us if you would like to submit a contribution to our INHS blog. All blogs can be found [here](#)

#### **Call for Papers (Extended):**

Contributions are being sought for an edited book on transphobia and transphobic hate crime to be published in 2025. Interested academics, practitioners and community members should submit a 300-word abstract by **Friday 12 January 2024** via email. Find more information [here](#).
