INHS Newsletter – February 2024

Dear INHS members,

Welcome to our February 2024 newsletter. The newsletter provides a monthly snapshot of international publications that have recently been added to the INHS website and information about upcoming events occurring this month. We would also like to encourage you to get in contact with us if you would like to submit a contribution to our INHS blog. All blogs can be found here.

Featured Podcast:

Social anthropologist and host Sandhya Fuchs has launched her new podcast *'Hate Speech Around the World'*. The series brings together experts in the social sciences, linguistics, media studies, law, and criminology to explore what hate speech is, how it manifests, and how it can be regulated. Listen on Spotify, Podbean, Apple Podcasts, and Amazon Music/Audible.
